

The following opportunities are still in need of volunteers:

Greater Chicago Food Depository

Need: Food Shorting and Packaging

Beginning in January of 2010, CCASTD will be sponsoring one Saturday (either the 1st or 2nd Saturday depending on our group from 9-12) every other month in the sorting and packaging of food for the Greater Chicago Food Depository.

I know it is early, but before we can sign-up I need to know how many possible volunteers we might have. If you have an interest please let me know and I will set up our sponsorship.

If you are located in the suburbs and would like to work with a food bank, please let me know and I will connect you with possible opportunities in your area..
